- Members must register with the Club Monitor upon arrival at the Club. Members within the fenced area are not deemed to be waiting unless they are registered with the Court Monitor. **NO EXCEPTIONS.**  
**Members must have their names registered on the sign in board during monitoring hours.**
- A member can only book one court at a time. Additional court time may be booked only after that member has completed their session. Back-to-back court bookings are discouraged if there are other members waiting for a court. Back to back is defined as a player who is playing with one party and is scheduled to play with a different party immediately after the conclusion of the first game.
- A player who has properly booked a court for a full playing period may take advantage of a vacant court or the invitation to join a match in progress prior to using his/her booked court provided that this additional time does not exceed 30 minutes. Otherwise, it will be regarded as a booking for that playing period and his/her booking for the full playing period shall be forfeited and available for booking by others.
- Members are expected to arrange their own games with the exception of club organized social events such as house league, and doubles round robins.
- A minimum of 2 players is required to claim a court.
- Members can only reserve the next available time slot on the sign in board. **NO ADVANCED BOOKINGS ARE PERMITTED.** Prior to the start of the next rotation, one person must be inside the clubhouse or on the patio 5 minutes prior to the court change over. A five (5) minute grace period will be granted to the incoming party. After such time, the court will be forfeited to the next party on the list. The forfeiting party will be required to register with the Court Monitor for the next available court.
- When the court monitor is NOT on duty, members must follow the designated court time changes posted throughout the club grounds. The same court booking procedures will be in place. These rules must be followed throughout the entire season.

### Priority

- **During week night hours (6:00pm to 11:00pm) Doubles will take precedence over singles up to 8:00 pm on all 3 courts. Thereafter doubles will no longer take precedence.**
- **Doubles play is mandatory on Sundays during adult hours from 10:00am-1:20pm.**
- Doubles play will take precedence over singles play if both are waiting for the same court. However, singles will take precedence if the same pair is still waiting when the next court becomes available. See Court Monitor authority below.
- Priority for taking a court shall be based on the length of time a member has been waiting for a court, and not the number of times a member has played.
- **In all cases, the Court Monitor will have the discretion to ask players (of similar ability) to join other singles matches at the court change. However, singles games already in progress will be allowed to finish play.**

## Court Monitoring

With the exception of statutory holidays and unplanned circumstances, courts will be monitored from April 30 – September 30, 2018 as follows:

**Weekday: 6:00pm to 10:00pm**

**Weekend: 8:00am to 5:00pm**

**Hours of monitoring are subject to change due to demand.**

In the absence of a court monitor, members are expected to self-administer the use of courts in accordance with the Court Change Procedures described on page 7.

The Court Monitor should only be asked to play if they are not in conflict with his/her other duties. However, the Court Monitor is not obliged to participate.

The Club Manager, Court Monitor or Club Pros (“Authorized Individuals”) (in their absence, the Directors) have been tasked with the authority to oversee the day-to-day operations of the Club including the enforcement of Club rules.

In resolving disputes or addressing violations of club rules, the Authorized Individuals after first identifying themselves will remind the offending member of the applicable rules and determine the appropriate course of action. Members shall comply with the decisions passed by the Authorized Individuals.

- If the member does not agree with the decision, the member should still comply with the decision but should bring the matter to the attention of the Board.
- If the member disregards the decision of the Authorized Individual, the Authorized Individual will bring the matter to the attention of the Board.

In either case, the procedures are outlined on page 10 “**Dispute Resolution and Disciplinary Actions**”

- The same guest may NOT be introduced more than THREE (3) times per season.
- Non-members are obligated to comply with the rules and regulations as defined in this handbook.
- Fees for guests will be paid to the Club Manager, Court Monitor or the Club Pro (in their absence a Director who is present) (Authorized Individuals). **A receipt will be issued indicating the Date, the amount, the Member, the Member Guest and the Authorized Individual issuing the Receipt. Note that if a Receipt is not issued, the Member Guest is not required to pay.**

The club will supply tennis balls for members only on the basis of *one set of three balls per court per day* from the official opening day until monitoring is completed at the end of the season. **New tennis balls will be distributed once daily at the start of the court monitor's scheduled working time. At the sole discretion of the Club Monitor**, if the condition of the tennis balls is beyond acceptable, the Club Monitor may issue new tennis balls.

A member **shall not insist, bully or coerce** the Club Monitor in issuing new tennis balls for use. If the member feels that the tennis balls supplied by the Club are not suitable for their standard of play, the member **can elect to use their own supply** of tennis balls. Members in violation will lose the privilege of club supplied tennis balls.

## Junior Membership

Members' children between the ages of 6 and 18 (as defined by the OTA) are eligible to become junior members on payment of the applicable fee.

- Junior member access to courts is restricted during weeknights between 6pm to 11:00pm unless accompanied by an adult member. If accompanied by an Adult Member, Junior Members will be deemed to have the same playing privileges as an Adult Member.
- Junior members will not be allowed to invite guests or to cast votes at club meetings.

## **Violation of Club Rules**

A violation of the Club's rules as outlined on page 5 of this handbook may result in disciplinary actions as outlined below under "Dispute Resolution and Disciplinary Actions"

## **Dispute Resolution and Disciplinary Actions**

In recognition that the North Toronto Tennis Club is a community-based tennis club primarily governed by volunteers, the Board's desire is that:

- Disputes between members and / or guests can be peacefully resolved between the two parties.
- Alleged violations of Club Rules are expected to be the exception rather than the norm.

In the case where:

- Disputes have not been resolved and warrant the attention of the Board; or
- Alleged violations are severe and warrant the attention of the Board,

The issue should be documented and reported to the Board. The note shall contain a description of the issue, the date and time of the occurrence, the involved parties and identification of witnesses. A Dispute Resolution Committee consisting of the Chairperson and two other Directors shall investigate and determine the course of action required to resolve the dispute or execution of a measured response to the violation.

Actions of the Committee may range from:

- No Action;
- Verbal or written warning;
- Delisted from the membership roster next season; or
- Immediate expulsion from the Club. The excommunicated member may not be entitled to a refund of the balance of their membership fee.

The Committee's decision is considered final.
