

North Toronto Tennis Club

April 2, 2020

Dear NTTC Members:

As you are all aware, the City of Toronto has **closed** several facilities for the foreseeable future due to the COVID-19 outbreak. The North Toronto Tennis Club has been **closed** by the City and the gates to the club have been chained and padlocked by Parks and Rec.

It would appear from all reports that our club and other similar facilities will be closed for at least 12 weeks – this gets us to July 1st. We will continue to update the club website and send out a members update once we have more information – please check there prior to calling or contacting our staff.

As much as we would all like to get out and play tennis especially as the weather warms up, we must all do our part to stop the spread of the COVID-19 virus. Our understanding is that the City will be extremely vigilant in patrolling its facilities to ensure social distancing is enforced.

Yours truly,

Bruce Caven, President, for and on behalf of the Club
